Service Authorization Denial Report Review

1/25/2024 Agenda Item		Action Required			
JOINT – Approval of January Minutes; Additions to Agenda	January Meeting Minutes 2024-01 Powered by Box				
	Additions to agenda: None	By Who	N/A	By When	N/A
JOINT – Network Adequacy Assessment	Amanda Ittner will present on the Network Adequacy Assessment to CLC/UMC in March 2024.				
	If anyone has questions regarding NAA in the email from Todd where items are not applicable, please still respond to Todd with N/A so he can cross you off the list.	By Who	All	By When	ASAP
JOINT – FY25 Planning Discussion for BHHs and CCBHCs	Additional funding has been requested by MDHHS for expansion of CCBHCs for FY25 (Cohort 3). Funding has not been approved yet, however MDHHS is tentatively planning for expansion pending budget approval. BHHs are available in MSHN region for applications on a rolling basis. Skye will follow up with MDHHS contact to determine which CCBHC certification requirements have to be fully met on 10/1/24 , or where there is additional flexibility to build up to full implementation of certain requirements within 6-12 months. Will continue to have planning discussions as a region. Please reach out to Skye and the Integrated Health team if you have questions or would like to discuss either initiative more.				
	CMHCM – considering expansion of BHH but need to analyze fiscal sustainability. Also interested in CCBHC potentially.	By Who	N/A	By When	N/A
	LifeWays – CCBHC requires shift in thinking about business model. Evaluating feasibility of BHH.				
	GIHN- considering CCBHCs, but looking at FY26 or FY27 depending on planning and preparation.				
	BABHA is considering BHH.				

	MCN is a BHH and considering CCBHCs but unsure about FY25 timeframe.				
	Newaygo CMH is exploring options.				
JOINT – Bronson Behavioral Health Hospital	Bronson and Acadia Healthcare have teamed up to offer a new inpatient psych facility. This new facility is located in Battle Creek and opened in July 2023. Their website is: Primary Acute Behavioral Health Hospital for Adults (bronsonbehavioralhospital.com) . Katie Madden is their director of business development. They will have 93 beds when all units are open. Additionally, but not affiliated with Bronson, Southridge Behavioral Hospital (Southridge Behavioral Hospital Byron Center, Michigan (southridgebh.com)) will open its 96 adult and geriatric beds in 2025.				
	<p>If any CMHs are interested in partnering with this Bronson/Acadia, you can contact Katie Madden. If you would like assistance with getting in touch with them, please let Todd or Skye know.</p> <p>Questions about what level of acuity will be accepted into this program. Continued discussions regarding the denials for inpatient services that are happening across the state. Will continue to discuss this topic at future meetings as these items are important and have an impact on many consumers/families.</p>	By Who	N/A	By When	N/A
JOINT – Presentation from Healthy Transitions (HT) for March	How will CMHs market HT availability to the region?				
	Not open yet and no website at this time. MSHN will provide information to the CMHSPs as details for opening are finalized.	By Who	N/A	By When	N/A
JOINT— Crisis Residential- site review and Recipient Rights reciprocity	MSHN is the holder of the contract and would be responsible for the contract review/auditing. Do each CMH Recipient Rights officers need to approve the facility? Or can we utilize a reciprocity process?				
	CEI-CMH, CMHCM, BABHA all willing to accept reciprocity. Todd will continue to work with MSHN Compliance to determine next steps.	By Who	Todd	By When	3/31

JOINT— CFAP Standing Update	No real updates from MDHHS. CMHA sent recent communications regarding CCBHCs, but not verified or official from the department at this time.				
	PIHPs are working together to advocate for a phased approach for this process rather than attempting to implement extensive process changes in months. More to come in future meetings as we get more information from MDHHS.	By Who	N/A	By When	N/A
JOINT – ICTS and PRTF Referrals and Denials	Reporting that youth beds seem to be full. Have any CMHSPs been successful in sending referrals to either of these programs? One reported in which the CMH was sent the referral and asked them to just have their psych sign off on the referral. Other CMHs reported similar responses.				
	None at this time.	By Who	N/A	By When	N/A
JOINT – CCBHC Requests from COFR Counties	<p>Topic from Lifeways- have had 2 COFR requests in the last week for CCBHC eligible services. Is a COFR agreement still needed for these services? CEI and BABHA also had these requests.</p> <p>Guidance from MDHHS is that eligible services covered under the CCBHC should be covered. COFR should only be required for any CMH services that are above and beyond the CCBHC eligible services.</p>				
	If any CMH CCBHCs in the MSHN region run into issues with the above guidance when working with other CMHs, please let Skye know. She is able to reach out to work with other PIHPs.	By Who	All	By When	As Needed
CLC – Balanced Scorecard	Discussed ICSS and current processes. The MiKIDS now grant has noted that 24/7 will be the requirement. They are saying to not include law enforcement as this affects trust and the dynamic of the deployment. This is likely to be a topic of great debate. Deployments will also likely be changed to bachelors and peer as deployed team. Noted significant progress in behavior treatment. Introduced updated measures connected to PBIP. Discussed room for improvement with youth deemed eligible for autism benefit who have a plan of service who have not yet started ongoing services.				
	No action needed at this time.	By Who	N/A	By When	N/A

CLC – Operating Guidelines Relating to Extreme Risk Protection Orders	Do any of our CMHs have any guidelines that relate to the new ERPO laws? Are there any situations that apply to minors? Central is reaching out to the prosecutor's office to figure out what should happen. It appears that this will not apply to minors. Will share progress as it is made.				
		By Who	Todd to check with CMHs	By When	As guidance is developed.
UMC – Balanced Scorecard	Document located in Box folder for this meeting- possible version issue in Box and Skye will review and let the group know.				
		By Who	Skye	By When	3/15
UMC – UM Policy and Procedure Review	Not many recommended changes from last month as we wait for updates for CFAP. It is possible that we may need to do a second round of reviews based on what CFAP unfolds.				
	<p>HSAG recommended we strengthen interrater reliability in policies/procedures. Recommended more flexible language for smaller CMHs where there may be only one UM reviewer.</p> <p>No additional feedback from the committee- approved to be passed on to Ops Council.</p>	By Who	N/A	By When	N/A
UMC – Service Auth Denial Report review for FY24 Q1	Carry forward to March UMC Meeting due to time.				
	Will review at March UMC meeting.	By Who	All	By When	3/25
