<b>JOINT – Mental Health Framework Updates</b>	<a href="#">Mental Health Framework</a> FAQ document and information of the standardized assessments. 	<p>Question regarding why some providers are listed as “Compliant” vs. A score being listed? Response: “Regarding the autism annual evaluation, here is info from our CMHCM staff who helps with those: Every other year is a “full” review and there is a % score. Interim reviews are done on the in between years and we only look to see they put their CAP into place - that is scored either compliant or non-compliant.”</p> <p>Has follow-up been provided to these providers regarding these scores?</p> <p>What does N/A mean on this chart?</p> <p>Todd will follow up with members when questions have been answered. Any further questions can be send to Todd.</p>	By Who	Todd	By When	As soon as possible

This will be sent on to Ops Council.</p>
