JOINT – Mental Health Framework	MDHHS maintains a page for Mental Health Framework developments: Mental Health Framework . Discussion with the group about concerns about these updates and how all of these changes will work logistically.				
	End goal is to have all providers in CC360 for the referral platform. For FY26, only Payers will be able to access this. CMHSP staff will not be required to login, but staff may see an increase in MSHN staff reaching out for information. MSHN will provide updates as we know more.	By Who	Skye	By When	As needed
JOINT – Application: Crisis Residential for Youth	Heartland Lansing- location is in Okemos. Todd reviewed and approved. Sent on to the State for their review.

JOINT – WHODAS Discussion	Pilot testing and training upcoming. Spring of 2026 implementation will begin. Suggestion for CMHSPs to get all of their folks who are eligible to get on the Hab Waiver. The state will be changing their process for how the slots are managed and reallocated. CMHSPs expressed concerns about when a person's MDHHS location reflects a different county, and they are unable to apply for the waiver. Spend-downs are also a continued issue for HSW enrollment/recertification.

JOINT-CMH Crisis Leads	The department is requesting that each Community Mental Health Service Program (CMHSP) identify their designated crisis lead, who is the primary representative responsible for overseeing crisis services and engaging in ongoing coordination efforts. MSHN would like to gather a list of all CMH Leads to be able to ensure coordination with MDHHS.

JOINT-Crisis Coding	For children's services, if you have a mobile crisis team lead by a MA level clinician and goes out to the home. If this person recommends hospitalization, is there a reason where the code would need to change from mobile crisis to the pre-screen code?				
	Group consensus is that there is not prohibition on the above process as described by CEI staff.	By Who	N/A	By When	N/A
JOINT-State Transition Meetings	Are any other CMHSPs experiencing these meetings as duplicative? And if so, is there a way to advocate with the state regarding this?
