- Opioid Overdose Recovery
- Innovative Strategies for Enhancing Treatment Services for Pregnant Women

Ms. Lisa Ashley arrived at 4:32 p.m.

- Narcan/Naloxone Regional Funding, Distribution and Sustainability
 - If a county within Region 5 needed more NARCAN than MSHN is able to provide through block grant funding, application by provider(s) for PA2 funding to obtain additional kits would be appropriate.
 - The Michigan State Police (MSP) Angel Program, which provides a trained volunteer within state police posts to provide assistance in getting individuals into treatment, has been implemented. MSHN is involved in meetings throughout the region with MSP Angel Program coordinators and officers.
 - MSHN's clinical team will research and provide additional information related to whether PA2 funds can be further utilized to expand the program to sheriff's offices, to allow individuals who reside in rural areas (without access to state police posts) the ability obtain the same type of service(s) through a visit to their local sheriff's office.

Per request, MSHN's executive assistant was charged with distributing the documentation to board members electronically.

12. Public Comment

There was no public comment.

13. Board Member Comment

Mr. Bruce Caswell addressed the topic of marijuana legalization, stating no individual should have to live in pain, but anything that is put into the human body could and often does have adverse effects and/or consequences; the point is the implications of legalizing marijuana are unknown. The issue should be approached in a less emotional and more intelligent manner. He advised that the Michigan Association of Health Plans (MAHP) is working to effectively address the petition and legalization on the ballot.

Board members provided information on the following events, taking place within their communities:

- Judge Jodi Program
 - Sponsored by Gratiot/Isabella County Coalitions, the program addresses the opioid epidemic. Event flyer and information provided within recent MSHN/Region 5 SUD Provider Updates.
- Clare County Recovery Court: Treatment 101
 - Provided by the judge and the recovery court team to identify incentives, sanctions, due process and confidentiality. Magistrates, judges, probation officers, law enforcement, educators and county commissioners will participate in the event aimed at providing a glimpse of how a well-run specialty court looks like. Email board member Lisa Ashley if interested in participating or would like additional information.
