  - ▶ Payroll & Tax Benefits
  - ▶ Program Funding Opportunities
  - ▶ Provider Relief Fund
- ▶ Paycheck Protection Program
- ▶ CMS Waivers

# Program Funding Opportunities

COVID-19  
Telehealth  
Program  
\$200 Million  
in funding

Section 3715 - Providing home and community-based services in acute care hospitals.

Section 3716 - Clarification regarding uninsured individuals.

Section 3814 - Extension and expansion of Community Mental Health Services.

Senate announces new appropriations: Full details on how the funds will be distributed are not yet available.

- Substance Abuse and Mental Health Services Administration (\$425 million): Funds are provided to address mental health and substance use disorders as a result of the coronavirus pandemic.
- Certified Community Behavioral Health Clinics: \$250 million to increase access to mental health care services.
- Suicide Prevention: \$50 million to provide increased support for those most in need of intervention.
- SAMHSA Emergency Response Grants: \$100 million in flexible funding to address mental health, substance use disorders, and provide resources to the homeless during the pandemic.

Public Health and Social Services Emergency Fund (\$100 billion): Designated for direct aid to health care institutions on the front line of the crisis - direct service Behavioral Health Providers likely eligible for this, at the discretion of the HHS Secretary.

Distance Learning, Telemedicine, and Broadband Program: \$25 million to improve distance learning and telemedicine in rural America. Includes additional \$100 million funds to increase broadband access.
