FY21 SUDSP Provider Manual Change Log

Revisions are noted in various colors. By default, anything with a ~~strike-through~~ (various colors) is what has been deleted and anything <u>underlined</u> (various colors) is what has been added to the revised document. In some instances, this could also be a hyperlink to a website.

Anything in green has been moved around. The place where it was moved from will be ~~double strike-through green~~ and the place where it has been moved to will be <u>double underlined green</u>.

Note: Page numbers below reflect those in the edited version/tracked changes document.

Provider Network Management

- Updated to note that governmental entities are not required to hold a substance use disorder license (pg. 23)

- Updated Synar rules to reflect age requirement for DYTURs from 18 to 21 yrs. (pg. 49)
- Revised non-Synar requirements due to COVID (pg. 49)
- Revised DYTRU reporting requirements (pg. 50)
- Eliminated specific dollar amount from coalition activity stipend (pg. 52)

Appendices

A. UM Manual
   o Updated requirements for the use of Block Grant funding and documentation of consumer income eligibility (pg. 60)
   o New MSHN SUD Benefit Plan section describing how the benefit plans are used to guide authorization decision-making based on typical service utilization patterns (pg. 65)
B. Case Management Protocol (H0006)
   o Recommend removal as it is largely redundant with Case Management Technical Advisory (pg. 96-98)

C. Technical Requirement for SUD Case Management Services (pg. 99-101)
   o Updated to be consistent with MSHN Service Delivery System Procedure: Case Management
   o Added language pertaining to Block Grant funding restrictions
   o Clarified care coordination services that should not be billed as case management
D. Recovery Housing Technical Requirement (pg. 102-106)
   o Updated to reflect revised eligibility and authorization requirements related to Block Grant benefit reduction plan
E. Technical Requirement for SUD Transportation (pg. 107-109)
   o Revised to indicate transportation is limited to/from withdrawal management and residential treatment or women's specialty clients only
