Mid-State Health Network SUD Oversight Policy Advisory Board

Wednesday, December 15, 2021, 4:00 p.m.

CMH Association of Michigan (CMHAM)

Meeting Minutes

1. Call to Order

Chairperson John Hunter called the MSHN SUD Regional Oversight Policy Board (OPB) of Directors Organizational Meeting to order at 4:28 p.m.

Board Member(s) Present: Jim Anderson (Bay), Lisa Ashley (Gladwin), Nichole Badour (Gratiot), Sandra Bristol (Clare), Bruce Caswell (Hillsdale), Steve Glaser (Midland), Susan Guernsey (Mecosta), Christina Harrington (Saginaw), John Hunter (Tuscola), Bryan Kolk (Newaygo), Robert Luce (Arenac), Jim Moreno (Isabella), Todd Tennis (Ingham), Deb Thalison (Ionia), Kim Thalison (Eaton), Dwight Washington (Clinton), Ed Woods (Jackson)

Board Member(s) Absent: Joe Murphy (Huron), Scott Painter (Montcalm), Vicky Schultz (Shiawassee), David Turner (Osceola)

Alternate Members Present: John Kroneck (Montcalm)

Staff Members Present: Amanda Ittner (Deputy Director), Joseph Sedlock (Chief Executive Officer), Sherry Kletke (Executive Assistant), Leslie Thomas (Chief Financial Officer), Dr. Dani Meier (Chief Clinical Officer), Dr. Trisha Thrush (Lead Treatment Specialist), Rebecca Emmenecker (Treatment Specialist), Sarah Andreotti (Lead Treatment Specialist), Sarah Surna (Prevention Specialist), Kari Gulvas (Prevention Specialist)

2. Roll Call

Secretary Bruce Caswell provided the Roll Call for Board Attendance.

3. Approval of Agenda for December 15, 2021

Board approval was requested for the Agenda of the December 15, 2021 Regular Business Meeting, as presented.

MOTION BY BRYAN KOLK, SUPPORTED BY BRUCE CASWELL, FOR APPROVAL OF THE DECEMBER 15, 2021 REGULAR BUSINESS MEETING AGENDA, AS PRESENTED. MOTION CARRIED: 18-0.

MINUTES ARE CONSIDERED DRAFT UNTIL BOARD APPROVED

4. Approval of Minutes from the June 16, 2021 and October 20, 2021 Regular Business Meetings

Board approval was requested for the draft meeting minutes of the June 16, 2021 and October 20, 2021 Regular Business Meetings.

MOTION BY JIM MORENO, SUPPORTED BY TODD TENNIS, FOR APPROVAL OF THE MINUTES OF THE JUNE 16, 2021 AND OCTOBER 20, 2021 MEETINGS, AS PRESENTED. MOTION CARRIED: 18-0.

5. Public Comment

There was no public comment.

6. Board Chair Report

Board approval was requested for the FY2022 Board calendar, as presented.

MOTION BY JOHN KRONECK, SUPPORTED BY STEVE GLASER, FOR APPROVAL OF THE FY2022 BOARD CALENDAR, AS PRESENTED. MOTION CARRIED: 18-0.

Mr. John Hunter provided an overview of the SUD Oversight Policy Board Annual Report included in the board meeting packet. Commendations to the Board members for getting so much done, especially during COVID.

The annual organization meeting for the SUD Oversight Policy Board will take place at the next meeting scheduled February 16, 2022. Re-elections will take place for the Chair, Vice-Chair, and Secretary officer positions. An officer can serve for two consecutive terms. Current officers are Mr. John Hunter as Chair, Ms. Deb Thalison as Vice-Chair and Mr. Bruce Caswell as Secretary. Current officers are in their first year so each of them can run again. If anyone has interest in an office position, please contact Ms. Sherry Kletke or Ms. Amanda Ittner prior to the February meeting. A slate of officers will be put together for the February meeting and nominations can also be taken from the floor during the meeting. The question was raised if there is a training program available. All new board members receive orientation upon appointment. If a board member is interested in serving as an officer, MSHN would support that person and provide any needed training. There are also conferences available about how to be an effective officer.

7. Deputy Director Report

Ms. Amanda Ittner provided an overview of the written report included in the board meeting packet, and available on the MSHN website, highlighting:

- Modification to the Open Meetings Act and change to the SUD OPB Bylaws: House Bill 5467 allows for remote participation; however remote participants are not allowed to vote unless they are participating remotely due to military duty, effective January 1, 2022. MSHN is seeking legal counsel and there is also lobbying efforts happening in opposition to the bill and to continue to allow remote participation voting as long as a quorum of physical

- presence is reached at the meeting. MSHN is going to hold on revising the Bylaws until further information is received from legal counsel and to see if new legislation is proposed.
- Opioid Settlement: The Michigan settlement is estimated at \$776 million with payments beginning as early as April 2022. Municipalities and counties must register to participate in the settlement. MDHHS has requested from the PIHPs local information on prevention activities to share with municipalities and counties in coordination of efforts when planning for use of the funds.

8. Chief Financial Officer Report

Ms. Leslie Thomas provided an overview of the financial reports included in board meeting packets:

- FY2021 PA2 Funding and Expenditures by County
- FY2021 PA2 Use of Funds by County and Provider
- FY2021 Substance Use Disorder (SUD) Financial Summary Report as of September 2021
- Block Grant Reduction Update & Projections

FY2022 reports have not been included because there hasn't been any action on the FY2022 PA2 contracts prior to this meeting.

Suggestions were requested to change the format and font size of the Block Grant Reduction Update report to help make it easier to read.

9. FY22 Substance Use Disorder PA2 Contract Listing

Contracts are now handled by the Finance Department so Ms. Leslie Thomas will present the contracts at future meetings. However, tonight, Ms. Amanda Ittner provided an overview and information on the FY22 Substance Use Disorder (SUD) PA2 Contract listing as provided in the packet. Discussion ensued with some OPB members expressing concern with the report appearing like some counties, in particular Montcalm County and Ingham County, had a substantial funding cut. Funding allocation is based on the provider requests and availability/allowable cost to other funding sources. MSHN utilizes Medicaid and Healthy Michigan as first use of funds, along with State Opioid Response Grant. PA2 funds are allocated as last resort. MSHN will provide an additional report, as soon as it's available, with details showing other funding sources reflecting the total funding allocated for each provider. The report will also contain any funding requests that were denied, if applicable.

MOTION BY ROBERT LUCE, SUPPORTED BY JIM MORENO, FOR APPROVAL OF THE FY2022 SUBSTANCE USE DISORDER (SUD) PA2 CONTRACT LISTING, AS PRESENTED. MOTION CARRIED: 16-0. 2-ABSTAINED

10. SUD Operating Update

MINUTES ARE CONSIDERED DRAFT UNTIL BOARD APPROVED

Dr. Dani Meier provided an overview of the written SUD Operations Report as included in the board meeting packet highlighting the addition of two new staff. Veteran's Navigator, Tammy Foster and Prevention Specialist, Sarah Surna.

Dr. Dani Meier providing a presentation on the rising rate of Methamphetamine Overdose prior to the call to order. The Power Point presentation can be viewed on the MSHN website at [this link](#). Noting, Methamphetamine Psychosis (MAP) is when meth intoxication includes psychiatric symptoms. Placing individuals with MAP is a challenge because SUD providers are not used to psychotic behaviors and drug-induced psychosis doesn't meet eligibility for inpatient psych units. MSHN's Utilization Management department, led by Ms. Skye Pletcher Négron, is developing a clinical practice guideline for MAP. MSHN is part of a pilot Contingency Management (CM) program in recovery homes in Newaygo and Montcalm Counties.

11. Other Business

There was no other business

12. Public Comment

There was no public comment

13. Board Member Comment

Board members asked about receiving hard copies of packets similar to past practice. Now that the packet is displayed during meetings, if anyone would still like a packet mailed to them, please contact Ms. Sherry Kletke or Ms. Amanda Ittner. Members can also make a note requesting hard copies and place the note in their folder tonight.

A Board member recently learned about recovery support programs that MSHN funded at Central Michigan University, Ferris State University and Mid State College. These colleges have recovery activities on campus to engage students that are in recovery or are at-risk.

14. Adjournment

Chairperson John Hunter adjourned the MSHN SUD Oversight Policy Advisory Board Meeting at 5:26 p.m. Mr. John Hunter wished everyone Happy Holidays and wanted to thank everyone for coming to the meeting.

**REPORT OF THE MSHN DEPUTY DIRECTOR
TO THE MSHN SUBSTANCE USE DISORDER OVERSIGHT POLICY BOARD
(SUD OPB)**

December/January

MSHN/REGIONAL MATTERS

1. Open Meetings Act Update:

As indicated in my December report for the SUD OPB meeting, effective January 1, 2022, the only legal basis for a member of a public body to participate in a meeting via telephonic or video conferencing as a member of the public body (i.e., to vote, to be counted toward a quorum, or to deliberate toward a decision), is if that member is absent due to military duty. This amendment to the OMA eliminates the previously permissive practice of a public body allowing its members to participate and vote remotely if a physical quorum was present.

Senate Bill 854 was introduced on February 1, 2022, which proposes to add back the medical condition as a circumstance for allowing remote participation. A copy of the senate bill has been added as an attachment to my report for reference.

The changes to the Open Meetings Act may require an amendment to the MSHN SUD Oversight Policy Board Bylaws, specifically in Section 4.6.2 which states: "If a quorum is physically present, Board members who participate by telephone or other similar communication equipment satisfying this Article are eligible to vote in and otherwise participate in the business of the meeting."

Mid-State Health Network is consulting with our attorney on this matter and waiting for proposed legislation to be finalized prior to presenting any changes to the bylaws. MSHN will present an amendment to the SUD OPB in accordance with Section 7.2 as follows: "These bylaws may be amended by the members of the Board acting in accordance with the voting requirements set forth in Section 4.8. The agenda of the meeting shall set forth a summary of the proposed amendment(s) at ***least fourteen (14) days prior to the date of the meeting. An affirmative vote to amend the Bylaws must be approved by the Board of Directors of MSHN.*** Any amendment of these bylaws must be consistent with the Michigan law, the Code and the Intergovernmental Contract.

2. Opioid Settlement Update:

Per, MDHHS as of 1/27/2022, all Michigan Counties and most municipalities, as well as townships, are registered for the Opioid Settlement funding. The state has received the first in a series of multiple settlement payments made by several defendants participating in the Opioid Settlement. As such, there is legislation governing the allocation and expenditure of the settlement funding to the state and subdivisions under development. Given that the subdivisions may receive a considerable amount of resources to address the opioid crisis in the communities you serve, we urge you to collaborate with the respective subdivisions in your regions on strategic planning

relative to the Opioid Settlement. Based on the legislation provided, the Department of the Attorney General and the Department of Health and Human Services plan to convene an informational webinar for all the registered subdivisions. Following the webinar, there are plans to convene learning communities on the pillars of our State Opioid Strategic Plan, including best practices, for the subdivisions.

At the state level, they are vetting evidence-based practices and programs that can be supported by the Opioid Settlement. A few of the evidence-based practices and programs suggested are the following:

- MAT in Jails
- Services to persons involved in programs provided by the Children's Services Administration
- Syringe Service Programs
- Recovery Housing
- Opioid Health Homes

Given the experience in implementing programming designed to mitigate the impact of the opioid crisis, MDHHS is providing PIHPs the opportunity to recommend projects to be supported by the Opioid Settlement funding at the state level.

MSHN will be reviewing possible projects with our community stakeholders, providers, and regional partners. Feedback is due to MDHHS by February 11, 2022. We encourage SUD OPB members to send us suggestions via email to Amanda.Iltner@midstatehealthnetwork.org.

3. American Rescue Plan Act (ARPA) Substance Abuse Block Grant (SABG) Appropriation

On January 7, 2022, MSHN received noticed that the ARPA Substance Abuse Block Grant funds have been appropriated and a portion allocated to the PIHPs for submission of project plans. MSHN has received the below allocations for FY22.

Activity	MSHN
Student Assistance Programming - alternatives to suspension for substance use (P4L 420?, Teen Intervene) \$250,000/year	\$ 50,000
EBP provision (funds for EBP training/fidelity to 10 PIHPs – \$1,190,596/year) Older adult, marijuana awareness and prevention,	\$ 119,060
Staffing support: Same day appointments for OTP, WM, Residential (\$500,000/year provider support)	\$ 50,000
Accessing BH - African American Community (10 additional communities @ \$100,000/community)	\$ 100,000
Telehealth Technology - Providers updates (year 1)	\$ 75,000
Telehealth Hubs to support community technology spaces for individuals without technology or safe space to participate in services (\$500,000/year x 4 years)	\$ 50,000
Development of Recovery Community Organizations (\$625,000/year)	\$ 150,000
Collegiate Recovery Programs (support for peer recovery services, training, development of additional programs) \$25,000/CRP	\$ 25,000
Recovery Housing support (approximately \$100,000/PIHP @ 10 PIHPs)	\$ 100,000
TOTAL	\$ 719,060

STATE OF MICHIGAN/STATEWIDE ACTIVITIES

Governor Whitmer Announces 10 Million Free KN95 Masks for Michiganders

On January 27, 2022, Governor Gretchen Whitmer announced the Michigan Department of Health and Human Services (MDHHS) is distributing 10 million free KN95 masks to ensure Michiganders can protect themselves from COVID-19 as the state continues to face the Omicron variant. Free KN95 masks provided by MDHHS will be distributed by community organizations, including local MDHHS offices, health departments and Area Agency on Aging offices. Residents who need masks can pick one up from partner sites across the state. Find a distribution site at Michigan.gov/MaskUpMichigan.

As of Jan. 14, the Centers for Disease Control and Prevention updated its [consumer web page](#) describing the types of masks and respirators used to prevent the transmission of COVID-19. According to CDC, loosely woven cloth products provide the least protection, while layered finely woven products offer more protection.

In addition to [MDHHS offices](#), [local health departments](#) and [Area Agency on Aging offices](#), the free masks are available from [Community Action Agencies](#), [Federally Qualified Health Centers](#) and [Programs of All-Inclusive Care for the Elderly \(PACE\)](#). Some agencies will further distribute the masks to local partners such as homeless shelters.

NOTE: MSHN has distributed 40,000 masks to our Community Mental Health Service Program Participants and has 2,000 available for SUD Provider requests.

Governor Whitmer's Plan to Expand Access to Mental Health

During the State of the State address, Governor Whitmer proposed policies to invest in mental health and grow Michigan's mental health workforce.

"We need to invest in our mental health workforce, so we can put Michiganders first and ensure they have the support and resources they need to thrive," said Governor Whitmer. "Every Michigander deserves access to both mental and physical healthcare. To boost access, we need to expand the Michigan State Loan Repayment Program, build on our work to hire more counselors, social workers, and psychologists on school campuses, and implement parts of my MI Healthy Communities proposal to increase capacity for community-based behavioral health."

The Plan

Governor Whitmer wants every person in Michigan to have access to the healthcare that they deserve-both mental and physical-and will work with anyone to get Michiganders the care they deserve.

She is also calling for an expansion of the Michigan State Loan Repayment Program (MSLRP) program to focused on behavioral health providers and an increase to funding for mental health professionals in our schools. This expansion will help retain or recruit hundreds of mental health care providers to Michigan. Last year, Governor Whitmer also proposed MI Healthy Communities, a \$1.4 billion proposal that would increase capacity for community-based behavioral health and substance use disorder treatments.

To view the full plan, click the link here [Governor Whitmer's Plan to Expand Access to Mental Health](#).

FEDERAL/NATIONAL ACTIVITIES

National Center on Substance Abuse and Child Welfare (NCSACW)

The National Center on Substance Abuse and Child Welfare (NCSACW) has released a new three-part series of technical assistance briefs entitled How States Serve Infants and Their Families Affected by Prenatal Substance Exposure. The three parts are:

- Brief 1 – Identification and Notification
- Brief 2 – Plans of Safe Care Data and Monitoring
- Brief 3 – Lessons from Implementation of Plans of Safe Care

This series of briefs highlights states' approaches to serving infants and their families affected by prenatal substance exposure. The briefs are derived from NCSACW's review of states' Annual Progress and Services Reports (APSRs) pertaining to Section 503 "Infant Plan of Safe Care" of the Child Abuse and Prevention Treatment Act (CAPTA) and years of practice-based experience providing technical assistance (TA) to support systems-level policy efforts and practice-level innovations to improve outcomes for these infants and families. Each of the briefs are available at <https://ncsacw.samhsa.gov/topics/plans-of-safe-care>, and registration for the February 8 brief is available at <https://cffutures.zoom.us/webinar/register/>.

Office of National Drug Control Policy (ONDCP)

An ONDCP-sponsored summary of a Model Syringe Services Program Act is available at <http://legislativeanalysis.org/wp-content/uploads/2021/12/Model-Syringe-Services-Program-Act.pdf>.

A summary follows:

The Model Syringe Services Program Act (Act) authorizes the establishment of comprehensive syringe services programs, which are associated with a decrease in bloodborne infectious disease diagnoses as well as the number of needlestick injuries to first responders and others. This Act delineates the required components for syringe services programs operating within a state, including that such programs (1) directly provide, or offer referrals to, expanded services, such as substance use disorder treatment, including medications for addiction treatment, HIV and viral hepatitis testing and treatment services, access to opioid antagonist kits, health care services, and mental health services; (2) reduce needlestick injuries to law enforcement, emergency services personnel, sanitation workers, and members of the community; (3) provide data collection and reporting requirements for syringe services programs; (4) provide immunity from criminal arrest, charge, and prosecution for the possession, distribution, or furnishing of hypodermic needles and syringes and other supplies; (5) provide educational and training materials for members of the community, including law enforcement and other first responders, such as emergency medical services; and (6) provide for funding of syringe services programs.

Health Resources and Services Administration (HRSA)

HRSA has released a grant opportunity entitled HRSA-22-061 Rural Communities Opioid Response Program – Behavioral Health Care Support.

Description: The Rural Communities Opioid Response Program (RCORP) is a multi-year initiative by the Health Resources and Services Administration (HRSA) aimed at reducing the morbidity and mortality of substance use disorder (SUD), including opioid use disorder (OUD) in high-risk rural communities. This notice announces the opportunity to apply for funding under the RCORP–Behavioral Health Care Support (RCORP-BHS). RCORP-BHS will advance RCORP's overall goal by improving access to and quality of SUD and other behavioral health care services in rural communities. For the purposes of this NOFO, improving rural behavioral health care service delivery includes increasing access to and utilization of prevention, treatment and recovery services to improve

the care for those affected by behavioral health conditions, which may include substance use and mental health disorders.

Closing date for applications: April 19, 2022

Funding instrument: Grant

Estimated total program funding: \$13,000,000

Award ceiling: \$500,000

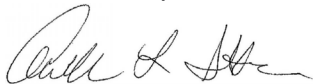

Expected number of awards: 26

Eligible applicants:

- Native American tribal governments (Federally recognized)
- Small businesses
- Nonprofits having a 501(c)(3) status with the IRS, other than institutions of higher education
- Independent school districts
- Special district governments
- For profit organizations other than small businesses
- State governments
- County governments
- Public housing authorities/Indian housing authorities
- Native American tribal organizations (other than Federally recognized tribal governments)
- Nonprofits that do not have a 501(c)(3) status with the IRS, other than institutions of higher education
- Private institutions of higher education
- Public and State controlled institutions of higher education
- City or township governments

Additional information is available at <https://www.grants.gov/web/grants>.

Senate Bill 854

SENATE BILL NO. 854

February 01, 2022, Introduced by Senators MCCANN, CHANG, WOJNO, GEISS, BULLOCK, ALEXANDER, POLEHANKI, BAYER, IRWIN, HOLLIER and SANTANA and referred to the Committee on Oversight.

A bill to amend 1976 PA 267, entitled
"Open meetings act,"
by amending section 3a (MCL 15.263a), as amended by 2021 PA 54.

THE PEOPLE OF THE STATE OF MICHIGAN ENACT:

1 Sec. 3a. (1) A meeting of a public body held, in whole or in
2 part, electronically by telephonic or video conferencing in
3 compliance with this section and, except as otherwise required in
4 this section, all of the provisions of this act applicable to a
5 nonelectronic meeting, is permitted by this act in the following

1 circumstances:

2 (a) Before March 31, 2021 and retroactive to March 18, 2020,
3 any circumstances, including, but not limited to, any of the
4 circumstances requiring accommodation of absent members described
5 in section 3(2).

6 (b) Subject to subdivision (d), on and after March 31, 2021
7 through December 31, 2021, only those circumstances requiring
8 accommodation of members absent for the reasons described in
9 section 3(2). For the purpose of permitting an electronic meeting
10 due to a local state of emergency or state of disaster, this
11 subdivision applies only as follows:

12 (i) To permit the electronic attendance of a member of the
13 public body who resides in the affected area.

14 (ii) To permit the electronic meeting of a public body that
15 usually holds its meetings in the affected area.

16 (c) Subject to subdivision (d), after December 31, 2021, only
17 in the circumstances requiring accommodation of members absent due
18 to military duty **or a medical condition**, as described in section
19 3(2). **At a meeting held under this subdivision, only those members**
20 **absent due to military duty or a medical condition may attend and**
21 **participate electronically. Any member who is not on military duty**
22 **or does not have a medical condition must be physically present at**
23 **the meeting to attend and participate. As used in this subdivision,**
24 **"participate" includes, but is not limited to, discussing,**
25 **debating, or voting on a bill, amendment, resolution, motion,**
26 **proposal, recommendation, or any other measure on which a vote by**
27 **members of the public body is required and by which the public body**
28 **effectuates or formulates public policy.**

29 (d) On and after March 31, 2021, for a public body that is an

1 agricultural commodity group, any circumstances, including, but not
 2 limited to, any of the circumstances requiring accommodation of
 3 absent members described in section 3(2). As used in this
 4 subdivision, "agricultural commodity group" means any of the
 5 following:

6 (i) A committee as that term is defined in section 2 of the
 7 agricultural commodities marketing act, 1965 PA 232, MCL 290.652.

8 (ii) The state beef industry commission created in section 3 of
 9 the beef industry commission act, 1972 PA 291, MCL 287.603.

10 (iii) The potato industry commission created in section 2 of
 11 1970 PA 29, MCL 290.422.

12 (iv) The Michigan bean commission created in section 3 of 1965
 13 PA 114, MCL 290.553.

14 (2) A meeting of a public body held electronically under this
 15 section must be conducted in a manner that permits 2-way
 16 communication so that members of the public body can hear and be
 17 heard by other members of the public body, and so that public
 18 participants can hear members of the public body and can be heard
 19 by members of the public body and other participants during a
 20 public comment period. A public body may use technology to
 21 facilitate typed public comments during the meeting submitted by
 22 members of the public participating in the meeting that may be read
 23 to or shared with members of the public body and other participants
 24 to satisfy the requirement under this subsection that members of
 25 the public be heard by others during the electronic meeting and the
 26 requirement under section 3(5) that members of the public be
 27 permitted to address the electronic meeting.

28 (3) Except as otherwise provided in subsection ~~(8)~~, **(1)(c)**, a
 29 physical place is not required for an electronic meeting held under

1 this section, and members of a public body and members of the
2 public participating electronically in a meeting held under this
3 section that occurs in a physical place are to be considered
4 present and in attendance at the meeting for all purposes.

5 (4) If a public body directly or indirectly maintains an
6 official internet presence that includes monthly or more frequent
7 updates of public meeting agendas or minutes, the public body
8 shall, in addition to any other notices that may be required under
9 this act, post advance notice of a meeting held electronically
10 under this section on a portion of the public body's website that
11 is fully accessible to the public. The public notice on the website
12 must be included on either the homepage or on a separate webpage
13 dedicated to public notices for nonregularly scheduled or
14 electronic public meetings that is accessible through a prominent
15 and conspicuous link on the website's homepage that clearly
16 describes its purpose for public notification of nonregularly
17 scheduled or electronic public meetings. Subject to the
18 requirements of this section, any scheduled meeting of a public
19 body may be held as an electronic meeting under this section if a
20 notice consistent with this section is posted at least 18 hours
21 before the meeting begins. Notice of a meeting of a public body
22 held electronically must clearly explain all of the following:

23 (a) Why the public body is meeting electronically.

24 (b) How members of the public may participate in the meeting
25 electronically. If a telephone number, internet address, or both
26 are needed to participate, that information must be provided
27 specifically.

28 (c) How members of the public may contact members of the
29 public body to provide input or ask questions on any business that

1 will come before the public body at the meeting.

2 (d) How persons with disabilities may participate in the
3 meeting.

4 (5) Beginning on ~~the effective date of the amendatory act that~~
5 ~~added this section, **October 16, 2020,**~~ if an agenda exists for an
6 electronic meeting held under this section by a public body that
7 directly or indirectly maintains an official internet presence that
8 includes monthly or more frequent updates of public meeting agendas
9 or minutes, the public body shall, on a portion of the website that
10 is fully accessible to the public, make the agenda available to the
11 public at least 2 hours before the electronic meeting begins. This
12 publication of the agenda does not prohibit subsequent amendment of
13 the agenda at the meeting.

14 (6) A public body shall not, as a condition of participating
15 in an electronic meeting of the public body held under this
16 section, require a person to register or otherwise provide his or
17 her name or other information or otherwise to fulfill a condition
18 precedent to attendance, other than mechanisms established and
19 required by the public body necessary to permit the person to
20 participate in a public comment period of the meeting.

21 (7) Members of the general public otherwise participating in a
22 meeting of a public body held electronically under this section are
23 to be excluded from participation in a closed session of the public
24 body held electronically during that meeting if the closed session
25 is convened and held in compliance with the requirements of this
26 act applicable to a closed session.

27 ~~(8) At a meeting held under this section that accommodates~~
28 ~~members absent due to military duty or a medical condition, only~~
29 ~~those members absent due to military duty or a medical condition~~

- 1 ~~may participate remotely. Any member who is not on military duty or~~
- 2 ~~does not have a medical condition must be physically present at the~~
- 3 ~~meeting to participate.~~

Annual Plans/Budgets not reviewed by Coalitions

*New Provider / Renewal Contract:

New Provider could also indicate that provider did not receive PA2 funds from the identified county in FY2021

Substance Use Disorder (SUD) Clinical Team Operational Updates – February 2022

Prevention

- Inter-regional coordination through statewide Prevention Coordinators
- Working with the other PIHP's Prevention Coordinators on a PIHP MPDS User Manual
- Attending coalition meetings across Region 5's 21 counties
- Continuation of implementation steps for FY21-23 SUD Strategic plan
- Worked with provider focus group to choose My Life My Quit youth vaping print materials purchased with Tobacco II funding
- Implementation of 2nd "problem gambling" prevention web-based campaign to run 12/1/2021-9/30/2022
- Coordination with providers for their successful operations during ever-changing COVID conditions
- Reached out to potential providers to expand cohorts of Prime for Life and Botvin Life Skills as part of COVID BG funding workplan
- Verified and cleaned over 20,000 individual activities in MPDS and submitted to the state
- Updated Program Observation tool for program and coalition observations that will begin in 2nd quarter FY22
- program observations underway
- Synar (Youth Access to Tobacco Act) work has also started for the year with DYTURs updating their vendor lists.
- Getting bids for a web-based media campaign related to youth vaping.
- Participating on planning committee for the MI Problem Gambling Symposium coming up on March 3 and 4.

Treatment

Ongoing Activities:

- Onboarding of new Veteran Navigator to Clinical Team & data validation of people who've served in the military
- Ongoing transfer process from closing OTP (closure date of 2-15-2022) to other Lansing OTPs.
- Support treatment providers' strategies to stay open during COVID with telemedicine, etc.
- Continuous evaluation and opportunities for expansion of access of services for specialty populations of older adults, adolescents, veterans and military families
- Monitoring of existing Performance Enhancement Plans (PEPs) as tool to help providers for whom progress has stalled despite voluminous TA efforts & monitoring of those PEPs

- Ongoing monitoring of progress for FY21-23 SUD Strategic Plan
- Coordinate and facilitate regional ROSC meetings, regional MAT workgroups meetings, regional WSS workgroup meetings, regional WM/residential workgroup meetings, and SUD PAC meetings. Evaluate implementation of requested workgroup for Outpatient LOC's.
- Participation in the MDHHS MDOC Pilot Biweekly Check-in Meetings as well as the Opioid Treatment Ecosystem Community of Practice meetings related to MAT initiatives around the state
- Continued Treatment Team attendance at prevention community coalition meetings
- Support of regional workgroups for WSS, Residential, Recovery, and MAT

Additional Activities

- Continued support and TA for Saginaw Health Endowment grant workgroup
- Regular coordination with statewide SUD Directors & with statewide medical directors (assumed role as Chair of the SUD Directors group – December 2021)
- Onboarding & transition of Director of SUD Systems & Operations (DSSO)
- Planning and preparation for FY23 annual planning for April/May 2022.
- Coordination with providers for COVID program needs to utilize COVID-BG funding
- REACH workgroup first meeting
- Seeking Safety training (Evidence-based trauma training) in March 2022

COST-BENEFIT ANALYSIS OF SEEKING SAFETY

A government analysis found that Seeking Safety:

- Has an 88% likelihood of benefit relative to cost;
- Ranks in the top three of all 23 substance abuse models analyzed, in terms of benefits relative to costs, higher than, for example:
 - Motivational Interviewing, 63%;
 - Motivational Enhancement Therapy, 61%.

**Region 5 Quarterly Reports
FY21 Quarter # 4**

PREVENTION GOALS	RESULTS & PROGRESS
Reduce Underage Drinking	COVID restrictions continue to limit the types and amount of activity taking place this quarter. However, many Preventionists were able to conduct face-to-face education on alcohol misuse in person while others have adapted and succeeded in conducting a hybrid or virtual only platforms. Program developers continue to be very accommodating in allowing variations on evidence based programs to ensure fidelity in programming in the current climate of flexibility and adaptability.
Reduce prescription and over-the-counter drug abuse, including opiates	COVID restrictions also limit the types and amount of activity taking place this quarter. Some education was able to be conducted and some counties were able to conduct or take part in drug-take back days. Additional grant funding allowed purchase of materials such as DyTerra drug disposal bags – these were distributed in the community through variety of formats (drive-through; back-pack give-aways; etc.)
Reduce youth access to tobacco	In this quarter, non-formal SYNAR and some vendor education was completed. Formal SYNAR from the last quarter was reported. Overall, 88 vendors were drawn for formal SYNAR checks with 70 passing. 18 failed – this gives MSHN an 79.5% compliance rate this year. 16 of the 18 sales were conducted by youth who were 18, 19 or 20 yr. old. We believe retailer confusion regarding Federal Tobacco 21 laws vs. the State of Michigan 18 yr. old requirements were a major cause and intend to specifically focus retailer vendor education this year in addressing federal tobacco 21 laws.

TREATMENT GOALS	RESULTS & PROGRESS
Increase women's specialty service programs	OROSC completed site visits for women's specialty designation for programs at Samaritas and DOT Caring Centers. Both programs passed the site visit

	and received letters of formal OROSC Designation to become recognized in the MSHN region as women's specialty providers. Recovery Pathways is awaiting their OROSC site visit for their Corunna (Shiawassee County) location.
Increase array of medication assisted treatment programs	There has been a decrease in the number of MAT programs due to COVID. MSHN is working to rebuild these programs and/or to add new programming in the region to address the needs of individuals that require Medication for Opioid Use Disorders (MOUD) services. This has been an especially difficult time for SUD providers as well as for the clients they serve.
Increase engagement, retention & completion of treatment	See figures in chart below.
Increase inter-agency collaboration of service delivery	

FY21 Quarter 4					
	COP	% COP	Continuing Treatment Transfer	%Continuing Treatment Transfer	Total Discharges
Outpatient	1503	23.1%	1157	17.8%	6508
Detox	168	37.3%	129	28.7%	450
Residential	414	26.3%	549	34.8%	1577

The figures above focus on two out of eleven discharge reason codes; Completion of Treatment (COP) and Continuing in Treatment/Transfer.
