MSHN Quarterly SUD Provider Meeting

Prevention Breakout
March 17, 2022

FY 23 Annual Plans

- Plans will be sent out April 4 with a return date of June 3
- The required Direct Service hours will change in FY23
  - 600 hours per 1 FTE
  - 20%, or 120 hours, may be included on AHR (480 in MPDS)
  - This includes all virtual, hybrid or face-to-face services
- Plan form/spreadsheet will have some updates
- No program expansion or budget increases available for FY23

MPDS Updates

- Program Name
  - No longer a “fill in the blank”, you must choose from drop-down box
  - If your new program is not on the list, contact us

- MBO Numbers -- Only one number (the best number in your opinion) should be entered in the MBO line item for each activity entered in MPDS. Please do not add extra letters, words, or your name to the MBO line item
