1	PRC in the Jail	During the month of December 2025, 34 individuals were seen by the peer recovery coach in jail, home, and/or community settings. Three individuals transitioned from jail to the community and three transitioned from SUD residential to home. Staff have worked with a probation officer to keep an individual from being kicked out of SUD residential; facilitating a conference meeting with the SUD residential facility. Staff are also assisting an individual in finding a prescriber for psychiatric medication in order to avoid hospitalization. They will otherwise run out of medication before they meet their new primary care provider.
