- MDHHS communications are available either through ITC email or FTP Server.
- Encounter Submissions and BH-TEDS appear to be running as normal.
- While the coding is in place to input a yes/no toggle for Telehealth availability in the Provider Directory, the field is not presently mandatory.
- There are no updates on the Authorization Metrics on the MSHN Website.
- The HSAG PMV/NAV ISCAT documentation has been submitted. MSHN thanks committee members for their assistance. We are waiting to hear back.
- Brian McNeill brought up to the council that Section 504 Digital Accessibility, in that anything new created or on a website must follow accessibility guidelines, was set to take effect this month. No other committee members said that they were familiar with this, either the mandate or the timeline.
- The Hospital Type missing has been fixed. There was only one from 2023.
- MidState has its own access to an HHAX report, which has been received.
- LifeWays, Shiawassee, and Newaygo all report movement on implementing their Autism modules, and are working with PCE to make this happen.

✓ KEY DECISIONS

| | |
|---------------------------------------|--|
| | <ul style="list-style-type: none"> • An email with Holli McGeshick’s CLD Workgroup Updates has been sent in lieu of her absence today. • CMCMH asked what others are doing for their e-consents, citing that although MiHIN is permitting demonstrations, Central is wary of any unlicensed software offered. MSHN piloted the e-consent within the client portal, but it doesn’t feed up to the exchange. LifeWays has changed theirs in their EMR recently; the portal is the next step. Joe Wager offered that if the consent is in our system, MSHN may be the medium by which we can inform MiHIN that a consent exists. <p>BHH IT Subgroup:</p> <ul style="list-style-type: none"> • Cathy Todd reminded the group not to wait until the last minute to submit encounters if a recoupment is on the line. |
| <p>✓ ACTION/INPUT REQUIRED</p> | <ul style="list-style-type: none"> • Joe Wager will ensure that Telehealth Yes/No field specifications are sent out to the ITC members. |
| <p>✓ KEY DATA POINTS/DATES</p> | <ul style="list-style-type: none"> • Next Meeting is June 17th, Face to Face/Remote Hybrid at CMCMH |
