

SUD Prevention Contract – FY27 Change Log

Changes Throughout

- Updated fiscal year, attachment references, glossary/defined terms, terminology, grammar, punctuation, and formatting throughout the contract.

I. General Contract Summary (Pg. 11)

- Added Stop Work Order provisions allowing MSHN to suspend activities, issue written instructions, authorize resumption, and limit payment during a stop-work period.
- Clarified cost-reimbursement/FSR billing, advance repayment, and provider appeal provisions.

II-IV. General/Provider Requirements (Pg. 8-14).

- Expanded credentialing, certification/development-plan, training, MPDS/data-entry, and exclusion-screening requirements; clarified media campaign approval and funding-source acknowledgment requirements.
- Updated DYTUR reporting/worker-compensation requirements and federal Block Grant restrictions, including promotional-item limitations.

VI. Contractual Provisions (Pg. 15-23)

- Expanded exclusion monitoring and documentation requirements; clarified MSHN review rights and non-compliance/delinquent-report sanctions.
- Clarified liability insurance requirements, including professional/general liability, sexual abuse/molestation coverage where applicable, and cyber/privacy coverage expectations.

Attachment A - Statement of Work (Pg. 25-26)

- Added evidence-based program fidelity requirements for faith-based providers and updated ROSC participation expectations.
- Added FY27 health-disparities training and an organizational readiness assessment addressing disparities, stigma, bias, and cultural humility to support FY28 planning.

Attachments B-E (Pg. 27-37)

- Attachment B Cost Reimbursement: updated FY/reference language; grant-funding conditions remain incorporated, including NOA/NOFO compliance, supplement-not-supplant, third-party revenue, and MOUD access requirements.
- Attachment C Business Associate Agreement: only minor technical/wording edits were identified; the HIPAA/HITECH risk-analysis attestation remains in place.
- Attachments D-E: updated FY27 reporting/training attachment titles and lettering.

Date:	Action:	Outcome:
