

Mid-State Health Network

JOB DESCRIPTION: Access Specialist II	EMPLOYMENT CATEGORY: At-will, Administration
POSITION HIRED BY: Mid-State Health Network (MSHN)	FULL-TIME/PART-TIME: Full-time
SUPERVISOR: Access Administrator	EXEMPT/NON-EXEMPT: Exempt
MANAGEMENT RESPONSIBILITIES: Personnel - No, Resources - Yes	CREDENTIALING REQUIRED: Yes

Position Overview:

Under the supervision of the Access Administrator this position assists individuals who approach the Pre-Paid Inpatient Health Plan (PIHP) access system in a warm and welcoming manner by providing information, clinical screening, and referrals for substance use and behavioral health services. This position involves daily contact with members of the public (typically by phone) and requires excellent customer service skills and the ability to apply sound clinical decision-making to support a variety of needs that individuals may present with. Ideal candidates for this position will have a strong knowledge of the American Society for Addiction Medicine (ASAM) Criteria and the ability to effectively administer clinical screenings in order to make appropriate level of care recommendations for persons seeking services.

Additionally, Access Specialists assist with monitoring adherence of contracted providers to established regional policies, procedures, protocols, and eligibility criteria for delegated access functions. This position will work closely with Community Mental Health Service Programs (CMHSP), Substance Use Disorder Service Providers (SUDSP), and community referral partners such as local court systems, probation and parole agents, primary care clinics, hospitals, and child welfare workers. This position is responsible for carrying out all activities of the Pre-Paid Inpatient Health Plan (PIHP) in such a manner that fulfills the organization’s mission and assures compliance with policies and procedures.

Qualifications

Minimum Qualifications

- Master’s degree in social work, psychology, professional counseling, nursing or a related field;
- Appropriate licensure, in good standing;
- Michigan Certification Board for Addiction Professionals (MCBAP) Certified Alcohol and Drug Counselor (CADC) credential, Certified Advanced Alcohol and Drug Counselor (CAADC) credential – or – ability to obtain within 12 months of hire;
- 2 years’ experience in SUD or co-occurring behavioral health and SUD clinical service delivery;
- Knowledge of current evidence-based standards of care, clinical guidelines and protocols, and care models for behavioral health and SUD; and
- Knowledge of appropriate Michigan Department of Health and Human Services (MDHHS) rules, regulations, and standards relating to behavioral health and SUD access, service delivery, and quality improvement;

Preferred Qualifications

- Direct work experience in access and/or crisis services;
- Experience in a Michigan Community Mental Health Services Program, SUD Treatment Program or a Pre-Paid Inpatient Health Plan;
- Knowledge of clinical practices across a range of behavioral health and SUD diagnostic categories;

- Knowledge of managed care compliance requirements specific to service access functions;
- Knowledge of all federal statutes surrounding participation in the Medicare and Medicaid programs;
- Knowledge of Michigan’s Mental Health Code and Public Health Code governing substance abuse services; and
- Lived experience with behavioral health issues is desired.

Required Skills

- Excellent organizational skills and ability to prioritize a workload;
- Observe all rules of confidentiality as it relates to consumer information, both internally and in dealing with outside individuals and/or agencies;
- Assure ongoing competency and assurance of consumer rights protections;
- Excellent interpersonal and human relations skills;
- Excellent verbal and written communication skills;
- The ability to publicly present complex information in a concise, understandable format;
- Ability to interact positively and collaboratively with Community Mental Health Service Programs (CMHSP) and Substance Use Disorder Service Providers (SUDSP), co-workers, clients, and community representatives from diverse cultural and socio-economic backgrounds;
- Use of a personal computer (PC) for administration and communication;
- Use of Microsoft Office; and
- The ability to legally drive within the State of Michigan.
